Martin Luther's Small Catechism was written to help parents and children understand the basic teachings of the Bible. Over the next few months, we'll walk through the six major parts:

**The Fifth Commandment - Thou shalt not kill.**

*What does this mean? We should fear and love God that we may not hurt nor harm our neighbor in his body, but help and befriend him in every bodily need .*

**The Sixth Commandment - Thou shalt not commit adultery.**

*What does this mean? We should fear and love God that we may lead a chaste and decent life in words and deeds, and each love and honor his spouse.*

**The Seventh Commandment - Thou shalt not steal.**

*What does this mean? We should fear and love God that we may not take our neighbor's money or property, nor get them by false ware or dealing, but help him to improve and protect his property and business.*
